International Credit Union Day "Building Financial Health for a Brighter Tomorrow"

On October 21, 2021, Postal Family Federal Credit Union will join other Credit Unions around the world to celebrate International Credit Union Day. Credit unions were built on the principle of "people helping people." We've seen that philosophy in action for more than 100 years, with credit unions providing access to affordable financial products and striving to meet the needs of underserved communities. Postal Family FCU is honored to be a part of this proud tradition. Please stop by on October 21, 2021, to register for our door prizes and pick up your 2022 calendars.

Santa Claus is Coming to Postal Family FCU

Come to Santa Day on Friday, December 3, 2021. From 3 to 5 pm at the main office in Fargo, Santa will greet the children and hand out goodie bags. At the Grand Forks office, Santa will be handing out goodie bags from 3 to 5 pm. Please stop by and say hi to Santa!

Let's be the Hands and Feet

Winter in our area can be brutal and being outside for too long can cause frostbite to set in. What about those who can't just go inside whenever they like this winter? Postal Family FCU and the Salvation Army invite you to be the Hands and Feet this winter. Please bring a pair of new mittens, gloves, or socks to the credit union and we will deliver them to the Salvation Army for you, to be distributed to those in our community who need them. Thank you!

AVOID E-MAIL AND PHONE SCAMS

Do not give out your e-mail address to anyone you don't know. They may use it to create new e-mail accounts for you and block your current e-mail, take over your computer or phone, steal your contacts, take your photos, open new accounts in your name, and more. They'll even do it on multiple devices, if you access your email from your home computer, laptop, and phone. Don't open any e-mails from addresses you don't recognize; delete them.

If you receive a phone call or an e-mail from a company claiming that they need to credit you back for something and they ask for your account information, think first. Did you even order something? If it's legitimate, they will not ask for you credit union account information; they'll already have it.

When ordering items online, beware of "Free" offers; nothing is completely free. Oftentimes, there's an attractive introductory offer,

but be careful not to click on something that authorizes them to continue to charge you in the future. Always read the fine print! Know what you're agreeing to first. Never agree to buy gift cards for someone in exchange for money they say they'll send you. It is always a scam. You'll be out your money and they'll never send you the money they promised. When in doubt, don't do it. If it sounds too good to be true, it is. Always, call us at the credit union if we can be of help.

TRAVELING

Call us before you leave on your trip to let us know where you're traveling and how long you'll be gone. Enjoy the peace of mind knowing that your debit and credit card transactions will be allowed wherever you're going.
